**FEEDBACK ON  
CURRICULUM ACTION  
TAKEN REPORT  
2022-23**

The institution makes certain that the curriculum offered are in keeping with the demands of the time. A systematic procedure is followed to maintain the standard that is the hallmark of the College. The quality sustenance and quality enhancement measures undertaken are:

- Strict adherence to the guidelines issued by the regulatory authorities from time to time
- Gathering feedback from various stakeholders
- Discussing issues related to curriculum in the meetings of Heads of Departments and Academic coordinators and sorting out such issues without delay
- Revisiting and revising the curriculum at periodic intervals
- Convening the meeting of various statutory bodies at regular intervals to facilitate the timely approval of revised/updated curriculum.

The curriculum of all programmes are revised once in five years to ensure relevance. This effort is materialized in the form of feedback that is collected from stakeholders with regard to the curriculum. The IQAC has evolved a formal mechanism to gather feedback on programme from all stakeholders. The Boards of Studies of all departments have renowned experts as external members and they provide feedback on the curriculum.

The steps adopted in the mandatory feedback process are:

- i) Consulting experts from other academic institutions, industries and alumni
- ii) Consulting the model curriculum proposed by CBSE/JAC, the curriculum for CTET and BTET.
- iii) Organizing workshops to prepare the add-on programme.
- iv) Feedback from students, teachers, employers, parents and alumni is taken into account
- v) Seeking the Academic Council's and the Board of Management's approval of the curriculum.

Keeping in mind the latest developments in the subjects and the societal needs, the IQAC devised structured questionnaires where formal feedbacks on the curriculum are obtained from various stakeholders. The Departments take feedback on class room experience from students on various aspects of curriculum offered to them. Feedback is obtained from the Alumni and Parents during formal meetings. Employers and teachers feedback is collected online.

## Students Feedback Analysis Report:

The students are the most important stakeholders of Higher Education systems. The interest and participation of students at all levels in both internal quality assurance and external quality assurance have to play a central role. We have collected feedback from our B.Ed. students personally. We have received total 71 student's feedback on the curriculum and analyzed.

## Action Taken Report of Student Feedback on Syllabus:

In this context, it was decided that based on the 2-year new B.Ed. course, keeping in mind the facilities of the students, all syllabus should be observed, studied and then tried to take feedback from them and implement.
