--Swami Vivekananda

Education is of prime importance for all of us. Education enlightens our thinking and broadens our power of decision-making. It is the tool that has chiseled the human race so that it could rise to the present glorious state of civilization and culture.

The responsibility of educating common people and propel society on the path of civilization lies on the shoulders of the Teacher. He is the torchbearer of the race who shows the path to stand upright; he is the guide to the community and also the counsellor to the uneducated ones.

We have aim to produce quality teachers by training candidates with well-equipped tools and materials. We welcome you to our institution which must help you to become ideal teachers who would then shape responsible citizens for our state and country.

Mr. Shambhu Nath Pandey

D.P.R.P. B.Ed. College
Chitragopi, Aurangabad

A WORD FROM PRINCIPAL

"Education is the manifestation of the perfection already in man.

It has been our central mission to provide an all-rounded education based on principles, fostering a balanced development in moral, intellectual, physical, social, aesthetic and spiritual spheres. According to Geeta, "What we do in our life on earth builds a foundation that will be tested in the future."

It has been our best efforts to bring out the best hidden talent in our prospective teachers and embellish their innate qualities to help them excel in all spheres of life. The aim of our imparting education to the students is to make them perfect citizens in materialism and spiritualism. Apart from imparting instruction to the students, the institution also pays special attention to inculcate human values and growing its students for a bright career.

Dashrath Prasad Ramnandan Pandey B.Ed. College provides fertile ground for the blossoming of future teachers by giving them multifarious opportunities to excel in different aspects. The entire atmosphere of the college promotes collaboration and cooperation leading to excellence. Providing excellent teaching through good facilities is our main priority. All this would not have been possible without the unstinted support of the college Secretary Mr. Shambhu Nath Pandey who helped the college to outshine with strength and attain milestones after milestones gracefully and victoriously.

As Principal of the college, I appreciate the opportunity to work with the students of Dashrath Prasad Ramnandan Pandey B.Ed. College and support them in their development as caring, competent, talented and responsible citizens. I must help every teacher to become better and to endow student's lives with our founder's vision in education.

I will keep the lamp of knowledge burning to contribute towards the development of India.

Dr. Uday Sharma

Principal

D.P.R.P. B.Ed. College
Chitragopi, Aurangabad

Welcome To Dashrath Prasad Ramnandan Pandey B.Ed. College

ABOUT THE INSTITUTE

Dashrath Prasad Ramnandan Pandey B.Ed. College is presently offering course in B.Ed. The mission behind this is to create a pool of future trainers for nation building. The core management team has years of experience in the education field.

Dashrath Prasad Ramnandan Pandey B.Ed.College,village-Chitragopi,p.o-Padrawan,p.s.-Jamhor(A.N.Road),Distt-Aurangabad (Bihar) -824121 is proposed for recognition by the National Council for Teacher Education (NCTE) Govt. New Delhi

The DPRP B.Ed. College is in a well equipped building with state of the art laboratories, library and other essential facilities as required by the National Council for Teacher Education. It is established in a peaceful area and well connected with rail and road links

Our Mission

To provide infrastructural and institutional facilities and employee competent teaching staffs to impart high-quality education and training programme leading to recognized B.Ed. degree as per the norms and standards of NCTE and Bihar Govt. To offer extra-curricular programme for the student teachers to improve their life skills and conduct training program in the field of alternative education, Environmental education, population education, education administration & Management educational and mental measurement observation by peers and community work to promote economic, social and moral standards for peace and prosperity among all in the field of Teachers Training program

Objectives

The objectives of the college are as follows: -

- i. To become a significant power of high-quality teacher training programmes.
- ii. To foster an academic environment on a year-to-year basis.

To foster all around personality development of the student teacher

Academic Infrastructure

A well-organized infrastructure helps the students to concentrate on their studies more and also provides them with everything and every facility they require to keep their minds focused on their aim and success. The DPRP B.Ed. College campus is well-resourced with technical infrastructure and facilities. With a green environment and technically advanced campuses. The institution is the ideal destinations for perfection-oriented learning. A Multipurpose hall with multimedia capabilities along with well furnished and spacious classrooms are the basic infrastructure of the college. Apart from this, the college also maintains a rich library and well-furnished laboratories. These laboratories are open for the students to experiment with novel ideas that could enhance their capabilities to disseminate knowledge. Sports facilities are provided to the students within the campus itself.

Library

The College has well equipped library with more than 10000 books and periodicals. The library also has many encyclopedias in the form of CD? s which students can use to enhance their understanding of concepts or utilize during their school experience. Library is organized into various sections viz. Curricular section, Periodical section, Reference section, Multimedia section, Newspaper & magazine section, which are managed by professionally qualified librarian. The library is open for every student from 9:30am to 4:00 pm to enrich their knowledge.

ICT Lab

The institution has a well-furnished and fully functional ICT lab. The college has many computers which are spread across in the college like in the psychology lab, library and various offices. All computers are multimedia enabled and are connected over LAN and the internet facility is thus provided. The lab has projectors that are used in the teaching-learning process as students are encouraged to learn how to make and teach using presentations. Other than this in ICT lab we have televisions, music system, an audio mixer and many educational CD? s which students may be benefitted from.

Science Lab

Science Lab is well designed, equipped and built to allow practical hands-on experimental approach for future teachers meant for conducting Physics, Chemistry and Biology activities & experiments for class VI to XII students. Science laboratory is designed for optimal safety and imparts the best learning experience ever. It? s equipped with the tools and apparatus which help the learning process to be easier and quicker, making sure the prospective teachers are scientifically up-to-date. Some of the experiments that students, teachers can perform in the science lab include those dealing with the concept of electricity & optics in

Psychology Lab

The College has a well-equipped psychology lab with all the latest psychological tests and the latest equipment to study total human behavior and to provide guidance and counseling services. The students are required to perform all the tests in the laboratory which helps them in acquainting to the proper utilization of the test material and this educates them to abide by the ethics of the laboratory. In the Psychology lab, there are different types of Aptitude tests, Interest tests, Intelligence tests Verbal and Nonverbal tests Personality tests, Achievement tests, Creativity tests, Adjustment of Emotional and Intelligence

Art & Craft

The art & craft resource center is aesthetically decorated which has all the material and apparatus to cultivate aesthetic value in our students. This lab provides an opportunity for students to gain hands-on experience in areas like art and craft, designing and printing, waste material utilization, painting, pot decoration, flower arrangement etc.

Medical Facility

The Institute has a contract with two MBBS Doctors to take care of the health of the faculty members, non-teaching staff and students. They are available in the Institute for two days i.e., Monday and Thursday for free consultation. The institute has an on campus dispensary in campus to meet the first aid & routine medical requirements of the students free of cost. In the dispensary, the consultation is also provided to the members of faculty

Language Lab

It is a very helpful tool for practicing and assessing One's speech in any language. It provides a facility that allows the students to listen to the model pronunciation repeat and record the same, listen to their performance compare with the model and do self-assessment. Dashrath Prasad Ramnandan Pandey B.Ed.College has a well-equipped Language Lab.

Social Science Lab

It helps in creating and maintaining a much-needed congenial atmosphere for effective learning of Social Studies. The permanent display of important maps, pictures and charts and constant reference to them by teaching is sure to make the social science teaching effective, lively and interesting. This lab makes improves the attitude and skills of students by working together. Dashrath Prasad Ramnandan Pandey B.Ed.College has a well-equipped S.S. Lab.

Seminar Hall

Dashrath Prasad Ramnandan Pandey B.Ed.College has a well-equipped seminar hall, with a sound system and LCD Projector. The faculty and trainees make use of these facilities to make project presentations to conduct interactive sessions and Guest Lecture

Multipurpose Hall

This is a venue for the organization of various institutional functions. Dashrath Prasad Ramnandan Pandey B.Ed.College has a spacious well ventilated and well-furnished assembly hall with seating capacity of 150 persons, which is used for various programs.

All Round Personality Development

Dashrath Prasad Ramnandan Pandey B.Ed.College accords great importance to the overall development of the personality of students. We aim to provide encouragement, support, and access to activities that enable the students to develop in all aspects of personality.

Cultural Activities

Cultural activities constitute an important part of our curriculum. These include events like seminars, workshops, symposia, quiz programmes, study circles, music, dance dramas etc. Every year Freshers are welcomed by seniors with a welcome function and juniors are also given a proper farewell to their seniors. Dashrath Prasad Ramnandan Pandey B.Ed.College celebrates various important national and international days regularly as a part of it's co-curricular activities. All the festivals like Dussehra, Diwali, Holi, Christmas, etc are also celebrated with great enthusiasm and vigor. These activities inculcate values of discipline, group work, knowledge of self and a sense of healthy competition among students.

Sports Facility

Keeping in view the importance of sports and its vitality in the shaping of an individual's personality and health and fitness, the institute lays considerable emphasis on students' participation in various games, sports and track and field activities. The spacious grounds of the institute are laid out into play fields for Cricket, Hockey, Volleyball, Basketball, Lawn Tennis etc. Facilities have also been provided for Yoga. Every year, a Sports Meet is organized for the students. Lecturers in Physical Education and coaches are available for scientific teaching, training and coaching in various games and sports and physical fitness programmes.

Contribution towards Community

Education is a field that plays an important role in creating awareness about critical issues faced by our country. Being a socially responsible & environmentally conscious institution, Dashrath Prasad Ramnandan Pandey B.Ed. College contributes to the welfare of society. For this purpose, DPRP B.Ed. College adopted Village Chitragopi as its college is also situated in the same village. DPRP B.Ed. College conducts awareness campaigns, and rallies and our students perform street plays to create awareness among people of village Chitragopi, about various social issues.

Educational Tour

One of the annual features of the institution is to arrange various recreational tours and excursions. Student Teachers visit various places of historical, religious and educational values. These trips help the student teachers to develop the various aspects of their personality. Students on Educational trips can often learn while having fun in a more informal environment. Opportunities are given to students to enhance their knowledge through educational tours.

Faculty Staff Room

The college has a well-furnished faculty staff room in which there are also separate cabins for the teachers, so that there is no hindrance in their studies and there is also a big table to sit together for any meeting and other work. Which is used during the discussion of teachers on any academic topic.

About B.Ed. & D. El Ed in Education

Dashrath Prasad Ramnandan Pandey B.Ed. College contributes to the welfare of society. For is successfully running the course Bachelor of Education (B.Ed.) with the intake of 150 students, Diploma in Elementary Education (D. El. Ed.) with intake of 100 students.

Report of Student Induction Program

Topic:- B.Ed. 1st Year Orientation Academic Year-2022-2023

Date :- 18-19th September -2022

Venue :- D.P.R.P. B.Ed. College (Multipurpose Hall)

Time :- 11.30 AM -01.00 PM

Dashrath Prasad Ramnandan Pandey B.Ed. College, Chitragopi, Aurangabad organized an Induction Programme for B.Ed. 1st year (2022-24) student teachers on 18-19-September-2022. The following aspects were given orientation on, to the F.Y. B.Ed. student teachers:

1. Orientation of the pupil teachers regarding classes, evaluation criteria for both internal and externals, assignments and co-curricular activities conducted.
2. Familiarizing the students with the college rules and regulations.

The day of orientation started by greeting the teachers and fellow student teachers. Lighting of the lamp was done by the Principal Dr. Uday Sharma and other teacher educators. Asst. Mr. Chandan Kumar started with the orientation of the subjects along with the assignments to be submitted. Each teacher also gave the orientation of their respective subjects in detail.

Details of the evaluation criteria for both internal as well as external assessment were also explained in details.

The rules and regulations to be followed in the library as well as in the college were explained. The queries of the students regarding any aspect were also addressed. The students were taken to the library and shown the various books of different years/semesters that they can issue from the library. The librarian also told them about the various types of books and other reading material available in the library for the students study purpose/issue.

The administrative staff explained the student teachers about the process of filling the university examination form for the respective pedagogy subjects for the 1st and 2nd Year.

The orientation programme ended by the Principals address to the student teachers along with her best wishes. The students were motivated by the programme.
