WORKSHOPS:

ON GREEN ENERGY AND SUSTAINABLE DEVELOPMENT

Green energy is the energy that is produced in such a way as to minimize its negative impact on the environment.

As the population of our country is increasing every year and development process is also on very progressive rate, requirement and consumption of energy per person is also going on exponential rate.

We are in dire need of alternative and natural source of energy. So, to increase the awareness among stakeholders D.P.R.P. B.Ed. College organised a one-day workshop on "green energy and sustainable development."

Dr. Amit Kumar Singh was invited as a resource person on this special occasion. Mr Chandan Kumar as a convener and Nitesh Kumar Dubey Co-Convenor was instrumental in organising this workshop.

Secretary college Mr. Shambhu Nath Pandey extended a full support to make it result oriented saucerful workshop.

Principal of D.P.R.P. B.Ed. College, Dr. Uday Sharma invited Dr. Amit Kumar Singh on the stage of multipurpose hall to address to the students and all stakeholders of the College, Dr Amit Kumar Singh gave his excellent viewpoint categorically to manage our eco system through.

01. Operation.
02. Product.
03. Eco system policy.

Mr. Singh urges students to actively participate in planting more and more trees. He Gave overview on achieving carbon and waste free growth through energy efficiency and renewable energy. He motivated all stakeholder to install solar panel for personal consumption because solar energy has emerged as one of the most promising option due to it's renewable, limitless and sustainable nature. Unlike Foss fuels, solar energy is freely available and abundant with the potential to provide enough energy to meet the world's need many times. Mr. Nitesh Kumar Dubey presented his views on contribution of renewable energy for sustainable development. He explained sustainable development attempts to balance economic, social and environmental factors. The goal is to develop a society where everyone has access to the resources, they required to lead respectable lives without endangering the environment.

Mr. Chandan Kumar elaborated in detail – how green energy and renewable energy technology can support the development of rural areas by enhancing agriculture output, driving economic growth and enhancing the quality of life.

The workshop session concluded with vote of thanks by Principal Dr. Uday Sharma.

Sapling of plants and some models of solar energy was distributed among students.

One Day Seminar on Importance of ICT in Education and teaching Learning

19.10.2022

The use of ICT plays a pivotal role in making Educational Institution globally competitive and students professionally efficient and corporate ready.

Classroom teaching has a paradigm shift in its manner and approach with the Introduction of Information Technology, Multimedia, social media, Digital white board, Internet facilities, Various Educational app and Website.

Dashrath Prasad Ramnandan Pandey B.Ed. College, organized a one-day workshop on 19-10-2022. Dr. Amit Kumar Singh, Principal Bhagwan Prasad Ramnandan Pandey B.Ed. COLLEGE was the resource person. Assistant Professor Mr. Nitesh Kumar Dubey was the convenor for the event. Principal of Dashrath Prasad Ramnandan Pandey B.Ed. College, Dr. Uday Sharma in his opening speech addressed the stake holders. he explained how the use of ICT has changed the role of both teacher and learners. From a transmitter of knowledge, the teacher has changed into a guide and facilitator of knowledge and students have become more active learner.

Dr. Amit Kumar Singh carried out the session in more elaborated ways, he gave hands on training on how to use google classroom, MOOCS, Swayam portal and Swayam Prabha channel in enhancing the knowledge and skill.

Dr. Singh motivated students to use education apps, google classroom and other digital platforms to enrich the knowledge. He also encouraged participants to be more active digitally in gaining and sharing the knowledge.

Mr. Nitesh Kumar Dubey encouraged student to create video module and use other tools to enhance their knowledge and skill.

In the post lunch session Dr. Amit kumar Singh lauded the participant who were to able to create short video module.

Mr. Chandan Kumar, IQAC Coordinator of Dashrath Prasad Ramnanadan Pandey B.Ed. COLLEGE thanked Dr. Singh for his presence and immense contribution he made on this special occasion.

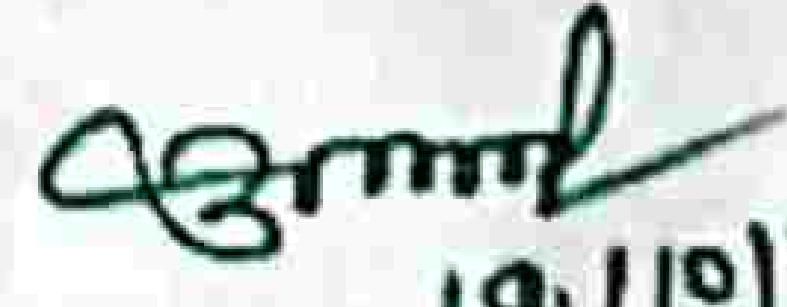

The Programme was concluded with the distribution of certificates to the successful participants.
